Reminiscence Board and Card Games

Memories Match

A picture bingo type game designed to promote conversation and memories. Each set contains 4 A3 sized boards with 24 matching cards. No need for a board for each person, as one board to a table will work. The idea is to share memories – not win! Instructions included.

Memories Match 1

\$80

Memories Match 2

\$80

In the home - memory game

This card game requires concentration, hand-eye co-ordination and dexterity. Place the cards photo side down. Turn over the cards and match the pairs to win. There are 16 A6 sized pairs included in this set of items found in the home.

In the home

\$55

This goes with that

A card game requiring concentration, hand-eye co-ordination and dexterity. The pictures are not the same but they go together, eg iron and ironing board or hammer and nails. Some are easy, while others require a bit of knowledge and memories of the past. Start off with only a few pairs and introduce more for ability. There are 17 pairs included in this set. Instructions included.

This goes with that

\$60

Flick it

An easy game combining general knowledge and old time song titles. Simply Flick the arrow and then answer the easy question based on the colour the arrow points to. If the question is a song title then encourage a sing along. You may be surprised of how much of the song can be remembered! Instructions included.

Flick it

\$30

Getting to know you

Comes in a game form but can also give you the opportunity of gaining an insight into behavioural problems. These cards are great to learn about background experiences and achievements from the past. 27 questions or statements that are designed to unlock memories and recall situations from the past.

Getting to know you

\$60

Now and Then

Compare items from today with those of the past. Mix all the boards and match up today's items with those from the past. A4 size, presented in a jigsaw form and made from wood.

Now and Then

\$80

Tile Puzzles

Twelve 7cm square, glossy tiles that go together to form the correct picture. A4 size when completed. Think it's easy?? This can provide hours of stimulating fun! Any 2 for \$35.

Bottle Match

\$20

Fashion Match

\$20

Peg Match

\$20

Egg cup Match

\$20

Communication Aid

Communication Aid consists of 16 photos of daily living requirements laminated and threaded onto a binder ring for easy attachment to chair or bed. May be of assistance to care staff while communicating with deaf, aphasic or non English speaking clients. 3 for \$50.

Communication Aid

\$18

A3 Search and Find Placemats

These A3 sized photo's can be used as a placemat or poster. Their large size and density makes them fantastic for group discussions or a great way to promote conversation and memories at the dinner table.

Wooden Jigsaw Puzzles

A3 sized wooden jigsaw puzzle with approx 20 6mm thick jigsaw pieces. Large pieces for ease of handling with the familiar feel and smell of wood. Hand made so no 2 puzzle pieces are ever the same! Housed in a wooden tray for ease of storage and gradual completion.

Wooden Jigsaw Puzzles

\$45

Any of the above A3 placemats can be made into a puzzle

Floor Games

Tic Tac Target

1 side has 4 brightly coloured triangles with a centre target. Throw coloured bean bags and aim for the centre. Turn the mat over for an oversized game of Tic Tac Toe. 5 circle and 5 square bean bags are included with each mat. Comes with a small plastic basket for ease of bean bag storage and game play. Mat is 1 metre square and is machine washable.

Instructions and suggestions for use are included. Bean bags are filled with natural wheat.

Tic Tac Target

\$65

Mixed Memories

This card game requires concentration, hand-eye co-ordination and dexterity. Place the cards photo side down. Turn over the cards and match the pairs to win. The player with the most cards wins. There are 10 A4 sized pairs included in this set of items found in the home.

Memories

\$80

Dementia Specific Activities

Wooden Toys

Provides a familiar task of sanding and a tactile experience for the man who has always enjoyed working with wood and his hands. Toys can be painted and donated to charity or taken apart and presented again. Includes 4 handmade wooden toys, 1 sanding sponge, 16 screws and 16 wheels. Shapes may vary from those pictured.

Wooden Toys

\$40

Nuts and Bolts

A beautiful set of wooden nuts of various shapes and colours. Requires the familiar action of screwing nuts on and off the wooden bolt. Tactile and achievable, encouraging wrist, arm and hand mobility. Includes 9 nuts of various sizes and shapes, 1 bolt at 2.5cm in diameter, 25cm long. Nuts and bolts may vary from ones shown.

Nuts and Bolts

\$50
